Winter 2024 

Bake Sale Sets Records

This is a repeat headline from 2022, but it's true. We were able to set another record at our November bake sale. Our total profit was \$1373! A huge thank you to the volunteers who baked and staffed the table. We had quite a few new bakers this year and their donations helped us achieve our goal of setting a new record for sales. We'd also like to recognize Lakewood SuperValu for allowing us the opportunity to sell in their lobby and expand our footprint. Having more space allowed us to display more of the delicious home baked goods at one time. We hope all the bakers and volunteers will be back next year for another record breaking fund raiser.

Garden Crew Prepares Beds for Winter

Many hands made for light work. Now the flowers are taking a well deserved rest after their beautiful display this past growing season.

Holiday Book Sale

In December, we offered our 5th book sale of the year. This sale featured many children's books and it was a delight to watch our youngest readers carefully select a book of interest to them. Holiday puzzles, movies, and

books were purchased for gifts or to have in the home for guests. The date of our next book sale will be announced once the building expansion project is at a point that allows us to do so.
